

Fielding at a Glance

Summary Fielding Graduate University is a world leader in graduate-level distributed learning for adults. Flexible study options and schedules address the twenty-first century needs of a global network of scholar-practitioners.

The Fielding community is dedicated to lifelong learning; innovative models of distributed education; advancement and change for individuals, communities, and organizations; and social justice. The professions in which alumni have distinguished themselves include clinical psychology; higher education leadership; healthcare; organizational management and development; and leadership within the corporate, nonprofit, and public sectors.

Founded March 11, 1974 in Santa Barbara, California, as a 501(c)(3) nonprofit organization

Accreditation Accrediting Commission for Senior Colleges and Universities of the Western Association of Schools and Colleges (985 Atlantic Avenue, Suite 100, Alameda, CA 94501, 510.748.9001); clinical psychology PhD program accredited by the American Psychological Association (APA Committee on Accreditation, 750 First Street NE, Washington, D.C. 20002, 202.336.5979).
