What would you like to get out of this gathering?
Connecting with others who are interested in this work
Learning about the field work that has happened over
the year (will be my 2nd year in attendance).

What would you like to contribute to this gathering?
My work is grounded in addressing the dehumanization
that afflicts our societies. I can share experiences and
interpretations that can enrich the conference.

What does dignity mean to you and your
work? A respect for dignity lies at the root
to alleviating the dehumanization that
plagues many human interactions.
