

Following FOUCAULT

The trail of the fox

LECTURES by
Howard Richards

WITH DIALOGUES AMONG
Evelin Lindner, Howard Richards and Catherine Odora Hoppers

[This book] "... offers prospective readers the opportunity to assess the respective merits of a poststructuralist, archaeological/genealogical approach (Foucault's) and that of a neo-pragmatist, hyper-Popperian, problem-solving critical realist, Howard Richards, who values the fact that Foucault was sensitive to the need to defend and empower 'subjugated knowledges'."
