

The Lewin Center proudly presents

Dr. Evelin Lindner:

“The Dynamics of Humiliation in a Globalizing World”

A hands-on community forum for understanding the impact of humiliation
on individuals, organizations, and nations

November 26-29

Monday, noon-5:00; Tuesday, Wednesday, 8:30-4:30

Thursday, 8:30-11:00 a.m.

The Gehring House, Broad St., Bethel

\$300 Tuition includes all sessions and 2 lunches and is due by November 16.

~~~~~

**Special Bethel Community Session**

**Thursday 7:00 p.m. – public forum in the Gould Academy auditorium**  
(no registration or tuition)

- the impact of fear and humiliation on personal, organizational, and national levels
- the prominence of collective fear and domination throughout history
- fear as an obstacle to the expression of human rights
- the role of humiliation in Darfur, the Middle East, Iraq

*How can we, as individuals, play a constructive role in the  
transition to a global community?*

**Evelin G. Lindner**, social scientist, holds a Ph.D. in both medicine and psychology. She teaches in many countries and calls herself a “global citizen.” She is the Founding Director and President of Human Dignity and Humiliation Studies, a global network of academics and practitioners who wish to promote dignity and transcend humiliation. She has won many international awards for her writing, mission, and work.

Registration form is attached and should be returned soon, as registration is limited.

It is suggested that you register through email: [nancy@lewincenter.org](mailto:nancy@lewincenter.org).

If that is not possible, mail to The Lewin Center, PO Box 68, Bethel, ME 04217.

Your registration will be confirmed by email, and a preparation packet will be mailed, with tuition invoice.

For more information on the workshop, contact Nancy Davis, Program Director, at 207-256-6956.
