

Being Educated for Nonkilling

What is being educated for Nonkilling?
It's the hardest challenge to Humankind
For it calls for more than harmonizing
and implies the dignifying of every mind

What is being educated for Nonkilling?
It can mean a Commandment applying
or a unique moral obligation instilling
with a social responsibility complying

What is being educated for Nonkilling?
It is the ultimate educational right
involving Life-saving-and-preserving
giving all creatures a peaceful light
