

## INVITATION

The **Human Dignity and Humiliation Studies** and the **Rivers of Meeting Project** invite you to play an important role in our:

*33rd Annual Conference of Human Dignity and Humiliation Studies*

### **Cultivating 'Good Living Amazon': nurturing solidarity with Mother Earth**

29th August – 2nd September 2019, in Marabá, Pará State, Brazil  
3rd September – 5th September 2019, in Belém, capital of Pará State, Brazil

All practical details are here:  
[www.humiliationstudies.org/whoweare/annualmeeting/33.php](http://www.humiliationstudies.org/whoweare/annualmeeting/33.php)

The choice of the venue is due to the human and environmental wealth and challenges of this Amazon region. Having one of the world's greatest concentrations of natural resources and biodiversity, the region is constantly under threat.

Given the current escalation of violence in the region, the first part of this 33rd conference, which would have taken place at the Community University of Rivers (<http://riosdeencontro.wordpress.com/>), has been transformed into a three-day eco-pedagogic and cultural caravan. We will visit the most vulnerable and insightful collectives of the local riverside, its traditional and indigenous communities, and exchange knowledge, so as to foster solidarity actions.

The hosts of this conference welcome **all expressions of knowledge (messages, videos, photos, articles etc.) from all members of the international community who are concerned about the preservation of the Amazon forest and who wish to prevent any forms of further humiliation.** Please support human dignity through sustainable Good Living projects.

There are no registration fees, participation is free. Everyone is kindly invited to care for their travel and housing costs themselves.

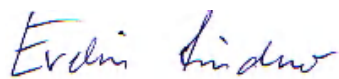

We appreciate your willingness to be an essential part of our conference. Your participation is of great importance for this initiative which seeks a sustainable world with dignity for all through social and environmental justice.

Sincerely

yours,

**Linda Hartling**, Ph.D., Social Scientist and Humanist; Director, Human Dignity and Humiliation Studies; Director of the World Dignity University
