Wednesday, November 14th, 2018

Grace Dodge Hall 279

2:00 pm – 3:00 pm

**Presenter:
Dr. Evelin Lindner**

Has humankind dug themselves into a multitude of perilous crises, both despite and because of what we call progress? Yet, there are also immense windows of opportunity waiting to be used. This talk will explore the notion of dignity and how it can show us a path into the future. The talk approaches the concept of dignity by inquiring about its violation, namely, humiliation.
